

## education | higher

College campuses resemble small cities in many ways. They feature civic spaces to enhance student life, public health/safety spaces to promote social welfare, and facilities dedicated to delivering advanced learning opportunities. The philosophy each institution adopts in creating these spaces directly relates to their marketability to attract students to their programs. Coupled with their approach to maintaining and operating their campus-environments, today's facility planners, directors and designers play an integral part in the business operations of the institution.

### Community & Technical Colleges

Bates Technical College  
 Bellevue College  
 Cascadia Community College  
 Clatsop Community College  
 Edmonds Community College  
 Everett Community College  
 Evergreen State College  
 Grays Harbor College  
 Highline Community College  
 Lake Washington Technical College  
 North Seattle College  
 Olympic College  
 Peninsula College  
 Pierce College  
 Seattle Central College  
 Shoreline Community College  
 Skagit Valley College  
 South Puget Sound Community College  
 South Seattle College  
 Tacoma Community College  
 Whatcom Community College

### Universities

Central Washington University  
 Eastern Washington University  
 University of Washington  
 University of Washington | Bothell  
 University of Washington | Tacoma  
 University of Washington | Friday Harbor  
 Western Washington University  
 Pacific Northwest University for the Health Sciences  
 Seattle University  
 University of Puget Sound  
 Washington State University

[abbreviated list of recent experience]

### Master Planning/ Pre-design

Bellevue College  
 Campus Medium Voltage Master Planning  
  
 Eastern Washington University  
 Campus Fire Safety and Telecommunications Systems  
  
 Pierce College  
 Puyallup Campus Master Plan  
 Fort Steilacoom Campus Master Plan  
  
 Shoreline Community College  
 Student Housing Site Evaluation  
  
 Skagit Valley College  
 Campus Master Plan  
 Campus Electrical & Telecommunications Systems  
  
 South Puget Sound Community College  
 2006 Telecommunications Systems  
  
 The Evergreen State College  
 Upper Campus Life/Safety Assessment  
  
 The Evergreen State College  
 Upper Campus Telecommunication Pre-design  
  
 University of Washington  
 North Site Selection Study  
  
 Washington State University  
 Plant Sciences Building Pre-design

### Instructional Program Spaces

Bates Technical College  
 Advanced Communications & Technology Center  
 LEED® Gold Certified  
  
 South Seattle College  
 Integrated Education Center Building  
 LEED Gold Minimum  
  
 Western Washington University  
 Fraser Hall Renovation

### Research/ Laboratory Program Spaces

Everett Community College  
 Liberty Hall, nursing program  
  
 Bellevue College  
 Science & Engineering Building - LEED® Gold Certified  
  
 Tacoma Community College  
 Harned Center for Health Careers - LEED® Gold Minimum  
  
 University of Washington  
 Warren G Magnuson Health Sciences Building (30+ years)  
 H-Wing Renovation  
 I-Wing Remodel  
 K-Wing Cagewash  
  
 Washington State University Plant Sciences Building

### Campus Life Amenities

Bellevue College  
 Residential Hall, Phase 1  
  
 Everett Community College  
 Student Health & Fitness Center  
  
 Whatcom Community College  
 Pavilion & Student Recreation Center  
  
 Washington State University  
 Public Safety Building

Western Washington University  
 ARAMARK Food Service Renovations  
 Student Housing Wireless Upgrade

### Systems-driven Upgrades

Central Plant Upgrades (North Seattle)  
 Data Center (North Seattle)  
 Data Center Upgrades (Tacoma)  
 Data Center Tenant Improvement (Washington State University | Riverpoint)  
 Campus Fire Alarm Upgrades (Tacoma)  
 Network Infrastructure Switches Upgrade (Western)  
 Transformer Air Switch Replacement (Bellevue)
